Progress Report Grades

The Progress Report Grades views allow users to see progress report grades for each progress report interval. For the view, the screen will show grade range and comments for the current grading interval by default. Descriptor-based course grades may be visible on the Marking Period Grades view. Descriptor topics for each course will be listed, with any available grades, grouped alphabetically by course name. To print or view the .pdf format of the progress report, click the Print icon.

Assignments Tab

The Assignments tab shows a list of all graded assignments for the current year. This list may be filtered by school year, marking period, and/or course. If multiple teachers are assigned to a course, all teachers' last names will be displayed in the "Teacher Name" column, separated by a "/".
