### A little about me

Hi all! My name is Kendall Smith and this is my second year teaching at the Fort! I love it here and I cannot wait for all the fun we will have in Pre-K. I love teaching and watching the students learn and explore through their interests! I am so excited to meet you all and have an amazing year!

Outside play gives your child the opportunity to practice what they have learned in the classroom, socialize, and understand themselves and the world around them. We will be going outside everyday. # Shared Snack

We have snack daily. Students and families will be asked to send in a snack large enough to share with the class each month. This snack should be sent in **THE FIRST MONDAY OF EACH MONTH**. If utensils are needed for the snack please include. Some snack ideas are: cheese and crackers, fruit snacks, fruit, graham crackers, chips and salsa, or veggies with dip.

Once the school year is underway we will be offering a “TRY IT” table during our snack time. Students are encouraged to bring in their favorite snack from home to share with their friends. Often when students see one another eating something they will try it too!

Try it suggestions are: Chips and salsa, different veggies or fruits, nutella, apples and caramel or peanut butter, or any other favorites!
