

Dear Parents,

Welcome to the Fort Montgomery Elementary School!

My name is Mrs. Petroccione (Mrs. P) and I am looking forward to learning and growing with your child this year as their teacher. This is sure to be an exciting time for you as your child continues on their journey to becoming a life-long learner. It is my belief that a child's success is based on a cooperative parent/teacher relationship. I look forward to working with you throughout the year. I encourage you to send me messages through class dojo.

At each stage of learning, it is important to set routines in your child's life. Try to take pictures of activities and experiences that your child has throughout the summer and talk about these experiences; this opens the door for storytelling and a writer's mind. Once school begins, I will be asking you to send pictures through Class DOJO to help jumpstart our writing workshop. It takes a village to raise a child and through open communication and mutual trust, we can help our little ones soar to the stars!

PROCEDURES TO REMEMBER

- Please put lunch money in an envelope or baggie marked with your child's name
- Lunch can also be paid for on-line through the district website under food services.
- Label your child's lunchbox and drinks with their name.
- Label your child's jacket or sweatshirt with their name.
- Check your child's take home folder (to be given out on the 1st day) every night for important information.
- Please put any notes or important papers into your child's Take Home folder to ensure that I get them.
- If your child is absent or being dismissed early you must let the office know.
- **When we celebrate your child's birthday, please contact me ahead of time so we can organize the date/time.**
- A list of our daily specials will go home on the first day of school so you can be aware of which days your child needs to wear sneakers.
