

Finding a Path...Paving a Future

Thinking about life after high school can be daunting. Learning about options and discovering strengths can make the transition smoother and much less scary for youth.

The **Special Needs College & Transition Fair** is for families and middle to high school students with an IEP or 504 Plan.

Join us for an interesting and informative event to help families who are asking themselves "What's next?"

Special Needs College & Transition Fair
Thursday, April 11
4:30 – 7:30pm

at
Green Chimneys · 400 Doansburg Road · Brewster, NY

This is a **FREE** event hosted by The Putnam Transition Consortium, Green Chimneys School and the Green Chimneys Parent Association
