Dear Seniors,

We hope you are doing well and are looking forward to being back in the building. We are very excited to see you! We want to inform you about the parking situation to date.

At this time, since the parking spaces have not yet been numbered, seniors will be able to park in any spot in the top and bottom senior lots ONLY.

NO SENIOR IS ALLOWED TO PARK ANYWHERE OTHER THAN THE TOP AND BOTTOM SENIOR LOT!

Once the numbers are painted, we will assign a specific spot to those seniors who have properly filled out the JIOHS STUDENT PARKING AGREEMENT, which will be included in the mailing with your report card. Also included in the mailing is the Driving and Parking Procedures. Please read through it and pay particular attention to the rules and regulations for driving and parking on premises.

You will be expected to complete the form (with your parent/guardian) and bring it with you when you come to school. Along with that agreement, you will need to show your license and registration(s) for the car(s) you may use to park on premises. Bring the completed form, license and registration(s) to the main office.

Prior to Monday, November 23rd, each senior who has handed in the proper paperwork will receive a specific parking space along with a parking permit number. The permit must be placed inside the rear windshield on the drivers' side.

On Monday, November 23rd, seniors will be expected to park in their assigned space. Failure to do so may result in the loss of driving privileges.

Please remember, parking on school premises is a privilege not a right. You must obey all driving and parking rules and regulations.

Please reach out if you have any questions or concerns.

Thank you.

Principal
