

## JIOHS Driving and Parking Procedures 2020-2021

**ATTENTION:** Complete the Student Parking Agreement and return it to the Main Office.

Student driving and parking is a privilege granted to seniors who maintain academic, behavioral and citizenship standards. Juniors are offered parking spots after all seniors have been issued spots and there are extra parking spots remaining; that process will be done by lottery. Where space permits, parking is allowed only in designated areas.

**Students MAY NOT park in the Faculty parking area nor in the Administrative/Visitor parking area.**

Students parked illegally in unauthorized areas may result in having their vehicles towed at owner's expense.

Unless written permission is granted by the parent and the High School Principal, students are not allowed to use their vehicles during school hours. James I. O'Neill High School is a closed campus.

**Students must follow the procedures listed below in order to obtain a parking sticker:**

1. Seniors must bring the following to the Main Office:
  - Valid Driver's License – **(not a permit)**
  - Vehicle Registration
  - Vehicle Registration Agreement (attached) signed by student and parent/guardian
2. **Parking stickers must be displayed on the driver's side rear window inside of the vehicle.**

  - Loitering in the parking lot or in cars during school hours.
  - Reckless driving on school grounds.
  - Parking in unauthorized areas or in spaces other than your assigned space.
  - Excessive school absences /lateness/cutting classes.

  - Unauthorized driving of other students to and from school.
  - Unauthorized sharing of assigned parking space.
3. Students should not be in the parking lot during the school day.
  4. Violations of parking rules may result in your car being towed from the lot at your expense and/or the loss of driving/parking privileges.
