

HIGHLAND FALLS-FORT MONTGOMERY CENTRAL SCHOOL DISTRICT

Mr. Michael McElduff, Superintendent of Schools

September, 2024

RE: NOTICE OF CONSTRUCTION – Highland Falls Fort Montgomery Central School District

Dear Neighbors,

Please be advised that the **Fort Montgomery Elementary Additions & Alterations project** of the Highland Falls-Fort Montgomery Central School District will begin construction on September 30, 2024. During the construction phase of the project several site work activities will take place behind the existing Elementary School located at 895 RTE 9W, Fort Montgomery, NY 10922. We anticipate multiple days of rock hammering and excavation in the beginning of this project that will occur between the hours of 7am and 3:30pm.

We are notifying the neighbors located near the school property as a courtesy prior to the start of construction. If you have any issues with the work being performed during this project, we ask that you please bring it to the attention of the Highland Falls-Fort Montgomery Central School District. The community is encouraged to email the dedicated email address, capitalproject24-25@hffmcsd.org. We will be mindful of each neighbor throughout this process, and we will do our best to accommodate reasonable requests. This project is scheduled to be completed by the end of August 2025, as we anticipate bringing students back to the newly renovated Fort Montgomery Elementary School for the start of the 2025-2026 school year in September 2025.

Sincerely,

Michael McElduff
Superintendent of Schools
