SUBJECT: SPECIFIC REQUIREMENTS RELATING TO BOY SCOUTS AND OTHER TITLE 36 PATRIOTIC YOUTH GROUPS

The Boy Scouts Act applies to any local educational agency (LEA) that has a designated open forum or limited public forum and that receives funds made available through the U.S. Department of Education (DOE). It applies to any group officially affiliated with the Boy Scouts of America or any other youth group designated in Title 36 of the United States Code as a patriotic society.

This statute provides for the following:

a) No covered entity shall deny equal access or a fair opportunity to meet, or discriminate against any group affiliated with the Boy Scouts of America or any other Title 36 patriotic youth group that requests to conduct a meeting within the covered entity's designated open forum or limited public forum.

1. A designated open forum exists when the school designates a time and place for one or more outside youth community groups to meet on school premises or in school facilities, including during the hours in which attendance at the school is compulsory, for reasons other than to provide the school's educational program.

2. A limited public forum exists when the school allows one or more outside youth or community groups to meet on school premises or in school facilities before or after the hours during which attendance at the school is compulsory.

b) No covered entity shall deny access or opportunity or discriminate for reasons including the membership or leadership criteria or oath of allegiance to God and country of the Boy Scouts of America or of the Title 36 patriotic youth group.

c) Access to facilities and the ability to communicate using school-related means of communication must be provided to any group officially affiliated with the Boy Scouts of America or any other Title 36 patriotic youth group on terms that are no less favorable than the most favorable terms provided to other outside youth or community groups.

The statute applies regardless of the entity's authority to make decisions about the use of its own school facilities. However, no entity is required to sponsor any group officially affiliated with Boy Scouts or any other Title 36 patriotic youth group.

The obligation to comply with the Boy Scouts Act is not obviated or alleviated by any State or local law or other requirement.
